

Lista de sub-processadores da bioMérieux

Algumas atividades de processamento de dados pessoais precisam de ser realizadas por sub-processadores da bioMérieux, estes são selecionados pela bioMérieux para prestar e permitir a continuidade dos serviços da bioMérieux.

A lista identifica os sub-processadores que têm ou poderão vir a ter acesso aos Dados dos Clientes (incluindo aos dados dos pacientes), tal como definido nas Condições Gerais de Vendas da bioMérieux/Condições Gerais de Manutenção e Reparação da bioMérieux.

Estes sub-processadores só estarão autorizados e terão permissão para processar os Dados dos Clientes para executar a manutenção, operações de controlo de qualidade ou garantia (Serviços), descritos nas Condições Gerais de Vendas da bioMérieux/Condições Gerais de Manutenção e Reparação da bioMérieux.

Todos os sub-processadores listados abaixo estão em conformidade com o Regulamento Geral de Proteção de Dados (RGPD) e celebraram um contrato com a bioMérieux para satisfazer obrigações equivalentes às requeridas pela bioMérieux a fim de garantir que as práticas relativas ao tratamento estão em conformidade com a legislação.

Alertamos para o facto de que esta lista é atualizada regularmente e convidamo-lo a visitar esta página para se informar sobre estas atualizações.
